

Education from Infancy: All 4 Parts (Paperback)

By Kerman Bharucha

Kerman Bharucha, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. "Education from Infancy: All 4 Parts" describes my very successful efforts at teaching Math and literacy to my grandson from the earliest days of his infancy, and is geared towards: - new parents, grandparents or other caretakers who want to give their infant child a huge jump-start on his or her education; - the parents of the pre-K child that needs a helping hand with math; - the young student in elementary or middle school, who has reading skills but has difficulty with basic math; - anyone who needs a quick review of basic math. By his age of 6-7 months, I had taught my grandson to recognize and point out to me: - upper-case letters of the alphabet; - the basic numbers 0 through 9 in normal and upside-down perspectives from his point-of-view. By his age of 5 years, I had taught my grandson to: - verbalize and write out numbers up to 36 digits long; - perform the basic math functions of addition, subtraction, multiplication, division; - perform math with fractions; - several other interesting math topics. This book details the techniques I used to...
