

Different States of Matter (Hardback)

By Charlotte Deschermeier

PowerKids Press, United States, 2014. Hardback. Condition: New. Language: English. Brand new Book. If liquids, solids, and gases are all matter, why are these states of matter so different from one another? Set forth in simple language, this volume explains how matter is formed, how it can change states, and how its states are unique. It will leave students with a better understanding of the physical science involved in their own daily lives.
