Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English. Brand new Book. Apocalypse visits most dimensions at some point or other; it can rarely be avoided. In one particular universe - parallel to ours, and not too far away - the last apocalypse has only just concluded. It is a similar enough world, though perhaps a more blessed place. Their dark time lasted only a year - a "lite apocalypse," as some are now calling it. Herein all is recounted: the last records of the parallel world that was, and the tale of its development into the ever-changing permutation of today. Readers can look forward to watching the gaps between universes evaporate in surprising ways, as the once-secret lives of angels effortlessly connect the dots between dimensions. In Angels of Apocalypse, Part I: Alignment, we learn how and why the first battle lines were drawn in the age-ending conflict of Parallel Earth, and witness the forces which drew the members of two distinct groups toward opposite ends of the globe, hastily preparing for war. It all began when Den Ulrik came into possession of a mysterious island in the South Pacific. Never could he have guessed that his curiosities concerning alternative energies might somehow be connected with the dawning of a new age, or that a lost friend would soon be visiting from beyond the grave in any capacity. But when an offended girlfriend eventually learns of his exploits, the resultant contest of wills goes sideways fast, and Den is unexpectedly forced to make hard choices. Meanwhile, as far stranger - and initially seemingly unrelated - mysteries unfold concurrently in the Middle East, reports of unexplained deaths, kidnappings, and disappearances increase there by the day. War was imminent; it was all anyone could agree on. Amid the...
