It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

WISHES NOT WEEDS (PAPERBACK)

Independently Published, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. Mr Badger has been grumpy for as long as anyone can remember. He doesn't seem to like anything at all and he certainly doesn't have any friends. That is, until two little rabbits come along. Ezzie and Frankie Rabbit always look for the good in every day, which makes them very happy bunnies indeed. They love to blow dandelion seeds to make wishes, but Mr Badger doesn't believe in wishes, he can only see dandelions as nasty weeds. Will Ezzie and Frankie's outlook and joy for life have any effect on Mr Badger? You might be surprised at what some wishes and a change in perspective can do. This inspirational book encourages children (and grown-ups alike) to see the magical power of looking on the bright side. It is perfect for reading aloud to young children and for older children to read to themselves. The illustrations are hand painted by the author (with love). N. E. Lamy is an author, artist and encourager of dreams. She's a firm believer in looking on the bright side and in seeing wishes instead of weeds. Her first book in this series, Just Wait And See, is also available on Amazon.
